## Korean War Genealogy Shadow Box

Designed by Kathy Peterson

### Materials List:

Flip Pal™ mobile scanner  
shadow box 10 x 13 inches  
scissors

paper cutter/slider

scrapbook paper--Patterned black/cream papers such as bl striped ticking, vintage style pattern paper and solid papers in white burgundy and black

adhesives

3-d adhesive dots

family military photo or photo book, dog tag and war medals

print outs of scanned images of photos and war medals

epoxy embellishment (so many years in one yesterday)

family photo 4 x 2.5 inches

white cardstock or typing paper

soft cloth (dark color)

### **Instructions: (use photo as guide)**

1. Using Flip Pal™ mobile scanner, remove cover and scan family photo. Then place scanner on work surface face up and position both medals face down. Cover with soft cloth and scan. Print out scan onto typing paper or cardstock
2. using scissors, cut out scanned images.
3. using paper cutter/slider: cut black paper to 3 x 4.25 inches ,white paper to 3.5 x 5.25 inches, black/cream wall paper patterned paper to 5.25 x 4 inches, striped black/cream paper to 5.75 x 4.5 inches and 8.5 x 5.5 inches burgundy paper to 4.5 x 3.5 inches.
4. remove backing from shadow box.
5. stack and adhere in order : photo to black paper, black to white paper, white to black cream pattern paper (using 8 3-D adhesive dots in each corner then stack one dot to each dot to add more depth), black/cream pattern paper to striped paper, and striped paper to burgundy paper.
5. Position, center and adhere stacked photos/papers to top of shadow box backing (approximately .25 inches from edge of backing).
6. using 3-D adhesive dots, adhere scanned images of medals and other memorabilia under photo.
7. adhere epoxy word embellishment onto top center of photo
8. replace and secure shadow box backing.
