ZENTANGLE EARRINGS

SUPPLIES

- Sakura Pigma Micron Pen
- White Cardstock
- Earring Hooks
- Eyelets
- Hole Punch
- Eyelet Setter
- Pliers
- Matte Medium or Gel Medium
- Scissors
- Paintbrush

INSTRUCTIONS

1. Draw four dots on a piece of white cardstock. Connect the dots to create a rectangle or square.
2. Within the rectangle or square draw a loop or otherwise divide the space into smaller sections.
3. Within each section, doodle a pattern. If you're stuck for patterns please visit the following site for inspiration and free instructions: <http://tanglepatterns.com/tag/zentangle>
4. Cut the rectangle shape out and then cut it in half.
5. Coat both sides of the paper with Matte Medium or Gel Medium to seal it and make it water resistant.
6. Using a hole punch and an eyelet setter, place an eyelet at the top of each rectangle.
7. Add your earring hooks and you're done!
